Mr. [Hiring Manager's Name]
Founder at Rainbow Technology(2020-21)

Dear Mr/Ms ,

I am pleased to be applying for the PHP Web Developer position at Proptexx. My extensive experience with designing and developing websites using PHP , Javascript, and Laravel Framework on Rails matches well with your requirements. In addition, my background with working in large development teams has given me the skills to adjust to the changing dynamics and processes of those environments while meeting scheduled milestones and deliverables.

Thank you for taking the time to review my credentials and accomplishments. I am very passionate about being a competent and contributing team player, and I hope to have the opportunity to discuss my examples in greater detail with you. I look forward to answering your questions and learning more about this position and your development teams.

Sincerely,

Aung Khant Zin
